

LOG 4A: Mission to Mars: My Day on Mars

A Mars day is just a little bit longer than an Earth day. So, think about your life on Earth and describe how you might spend a day on Mars. Let these images from the Mission to Mars video guide you. You can change the order if you like.

LOG 4B: Mission to Mars: My Day on Mars

A Mars day is just a little bit longer than an Earth day. So, think about your life on Earth and describe how you might spend a day on Mars. Use these images from the video as a guide. You can change the order and recolor the images.
